No patterns or plaids. Under no circumstances is a bed sheet (no matter the color) an acceptable window treatment. Window treatments visible from the exterior of the unit shall always be kept in good repair with no rips, or stains.

Window screens shall always be in good repair. Damaged screens shall be removed, repaired, and replaced as soon as possible by the co-owner. A violation notice will be sent by the association management for any failure to repair or replace damaged window treatments or application screens that are not acceptable. Should further notices be necessary, fines will be applied (per By-Laws).
