

EXHIBIT A**BYLAWS****STONY RIDGE CONDOMINIUMS****ARTICLE I****ASSOCIATION OF CO-OWNERS**

Stony Ridge Condominiums, a residential Condominium Project located in the City of Rochester, Oakland County, Michigan, shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Condominium Bylaws referred to in the Master Deed and required by Section 3(8) of the Act and the Association Bylaws provided for under the Michigan Non-profit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Co-owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

ARTICLE II**ASSESSMENTS**

Section 1. **Assessments Against Units and Co-owners.** All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Owners thereof in accordance with the following provisions.

Section 2. **Assessments for Common Elements.** All costs incurred by the Association in satisfaction of any liability arising with, caused by, or connected with the Common Elements or

the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipt affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 3. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) **Budget.** The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular monthly payments as set forth in Section 4 below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular project, the Association of Co-owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the delivery of a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner for any existing or future assessments. Should the Board of Directors at any time determine, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, (2) to provide replacements of existing Common Elements, (3) to provide additions to the Common Elements not exceeding \$1,000.00 annually for the entire Condominium Project, or (4) in the event of emergencies, the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 4 hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors

for the benefit of the Association and the members thereof, and shall not be enforceable by any creditors of the Association or the members thereof.

(b) **Special Assessments.** Special assessments, in addition to those required in subparagraph (a) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other needs or requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements of a cost exceeding \$1,000.00 for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 6 hereof, (3) assessments to purchase a Unit for use as a resident manager's Unit, or (4) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph 3(a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than 60% of all Co-owners in number and in value. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof.

Section 4. Apportionment of Assessments and Penalty for Default. Unless otherwise provided herein or in the Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners in accordance with the percentage of value allocated to each Unit in Article V of the Master Deed, without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit. Annual assessments as determined in accordance with Article II, Section 3(a) above shall be payable by Co-owners in 12 equal monthly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. A late charge of 1% per month shall be assessed automatically by the Association upon any assessments in default for five or more days until installment together with the applicable late charges is paid in full. Each Co-owner (whether 1 or more persons) shall be, and remain, personally liable for the payment of all assessments (including fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while such Co-owner is the owner thereof. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest charges and fines for late payment on

such installments; and third, to installments in default in order of their due dates.

Section 5. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

Section 6. Enforcement.

(a) **Remedies.** In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to a Co-owner in default upon 7 days' written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article XIX, Section 4 of these Bylaws. All of these remedies shall be cumulative and not alternative.

(b) **Foreclosure Proceedings.** Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in

accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of subject Unit.

(c) **Notices of Action.** Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of 10 days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, of a written notice that 1 or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within 10 days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i), the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Register of Deeds in the county in which the Project is located prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the 10-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) **Expenses of Collection.** The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

Section 7. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the

mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

Section 8. Developer's Responsibility for Assessments. The Developer of the Condominium, although a member of the Association, shall not be responsible at any time for payment of the monthly Association assessment, except with respect to completed and occupied Units that it owns. A completed Unit is one with respect to which a certificate of occupancy has been issued. An occupied Unit is one which is occupied as a residence. Developer shall independently pay all direct costs of maintaining completed Units for which it is not required to pay regular maintenance assessments and shall not be responsible for any payments whatsoever to the Association in connection with such Units. Further, the Developer shall in no event be liable for any assessment levied in whole or in part to purchase any Unit from the Developer or to finance any litigation or other claims against the Developer, any cost of investigating and preparing such litigation or claim or any similar or related costs.

Section 9. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 10. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 11. Mechanic's Lien. A mechanic's lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

Section 12. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied, provided, however, that the failure of a purchaser to request such statement at least 5 days prior to the closing of the purchase of such Unit shall render any unpaid assessments and the lien securing same fully enforce-

able against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except real property taxes and first mortgages of record.

ARTICLE III

ARBITRATION

Section 1. **Scope and Election.** Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between the Co-owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. **Judicial Relief.** In the absence of the election and written consent of the parties pursuant to Section 1 above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. **Election of Remedies.** Such election and written consent by Co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV

INSURANCE

Section 1. **Extent of Coverage.** The Association shall carry fire and extended coverage, vandalism and malicious mischief and liability insurance, and workmen's compensation insurance, if applicable, pertinent to the ownership, use and maintenance of the Common Elements and certain other portions of the Condominium Project, as set forth below, and such insurance, other than title insurance, shall be carried and administered in accordance with the following provisions:

(a) **Responsibilities of the Co-owners and Association.** All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. Each Co-owner may obtain insurance coverage at his own expense upon his Unit. It shall be each Co-owner's responsibility to determine by personal investigation or from his own insurance advisors the nature and extent of insurance coverage adequate to his needs and thereafter to obtain insurance coverage for his personal property and any additional fixtures, equipment and trim (as referred to in subsection (b) below) located within his Unit or elsewhere on the Condominium and for his personal liability for occurrences within his Unit or upon Limited Common Elements appurtenant to his Unit, and also for alternative living expense in event of fire, and the Association shall have absolutely no responsibility for obtaining such coverages. The Association, as to all policies which it obtains, and all Co-owners, as to all policies which they obtain, shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) **Insurance of Common Elements and Fixtures.** All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the current insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association in consultation with the Association's insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall be effected upon an agreed-amount basis for the entire Condominium Project with appropriate inflation riders in order that no co-insurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction if the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). All information in the Association's records regarding insurance coverage shall be made available to all Co-owners upon request and reasonable notice during normal business hours so that Co-owners shall be enabled to judge the adequacy of coverage and, upon the taking of due Association procedures, to direct the Board at a properly constituted meeting to change the nature and extent of any applicable coverages, if so determined. Upon such annual reevaluation and effectuation of coverage, the Association shall notify all Co-owners of the nature and extent of all changes in coverages. Such coverage shall also include

interior walls within any Unit and the pipes, wire, conduits and ducts contained therein and shall further include all fixtures, equipment and trim within a Unit which were furnished with the Unit as standard items in accord with the plans and specifications thereof as are on file with the local unit of government in which this Project is located (or such replacements thereof as do not exceed the cost of such standard items). It shall be each Co-owner's responsibility to determine the necessity for and to obtain insurance coverage for all fixtures, equipment, trim and other items or attachments within the Unit or any Limited Common Elements appurtenant thereto which were installed in addition to said standard items (or as replacements for such standard items to the extent that replacement cost exceeded the original cost of such standard items) whether installed originally by the Developer or subsequently by the Co-owner, and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-owner in writing.

(c) **Premium Expenses.** All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) **Proceeds of Insurance Policies.** Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear, provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

Section 2. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be

necessary or convenient to the accomplishment of the foregoing.

ARTICLE V

RECONSTRUCTION OR REPAIR

Section 1. Determination to Reconstruct or Repair. If any part of the Condominium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

(a) **Partial Damage.** If the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit in the Condominium is tenantable, unless it is determined by a unanimous vote of all of the Co-owners in the Condominium that the Condominium shall be terminated.

(b) **Total Destruction.** If the Condominium is so damaged that no Unit is tenantable, the damaged property shall not be rebuilt unless 80% or more of the Co-owners in value and in number agree to reconstruction by vote or in writing within 90 days after the destruction.

Section 2. Repair in Accordance with Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specifications for the Project to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

Section 3. Co-owner Responsibility for Repair.

(a) **Definition of Co-owner Responsibility.** If the damage is only to a part of a Unit which is the responsibility of a Co-owner to maintain and repair, it shall be the responsibility of the Co-owner to repair such damage in accordance with subsection (b) hereof. In all other cases, the responsibility for reconstruction and repair shall be that of the Association.

(b) **Damage to Interior of Unit.** Each Co-owner shall be responsible for the reconstruction, repair and maintenance of the interior of his Unit, including, but not limited to, floor coverings, wall coverings, window shades, draperies, interior walls (but not any Common Elements therein), interior trim, furniture, light fixtures and all appliances, whether free-standing or built-in. In the event damage to interior walls within a Co-owner's Unit or to pipes, wires, conduits, ducts or other Common Elements therein, or to any fixtures, equipment and trim which are standard items within a Unit is covered by insurance held by the Association, then the reconstruction or repair shall be

the responsibility of the Association in accordance with Section 4 of this Article V. If any other interior portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 4. Association Responsibility for Repair. Except as provided in Section 3 hereof, the Association shall be responsible for the reconstruction, repair and maintenance of the Common Elements. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair.

Section 5. Timely Reconstruction and Repair. If damage to Common Elements or a Unit adversely affects the appearance of the Project, the Association or Co-owner responsible for the reconstruction, repair and maintenance thereof shall proceed with replacement of the damaged property without delay, and shall complete such replacement within 6 months after the date of the occurrence which caused damage to the property.

Section 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

(a) **Taking of Unit.** In the event of any taking of an entire Unit by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the Co-owner and his mortgagee, they shall be divested of all interest in the Condominium Project. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his mortgagee, as their interests may appear.

(b) **Taking of Common Elements.** If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners in number and in value shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) **Continuation of Condominium After Taking.** In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be re-surveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner.

(d) **Notification of Mortgagees.** In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 7. Notification of FHLMC. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") then, upon request therefor by FHLMC, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium, if the loss or taking exceeds \$10,000 in amount or damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC exceeds \$1,000.

Section 8. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit Owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.
